

PROMPT:

I am a (your profession) and looking to come up with new reel ideas for my Instagram account.

My content pillars are A, B, C.

Make 3 columns in a table &

in the first column generate a list of potential [reel/post topics] that would be popular among my audience who are (your target audience) and

next to it give me 3 viral hooks for each topic,
and next to it give me the logical reasoning why would that work.

If I have to use this for my brand, I'll use this prompt ->

ChatGPT

Certainly! Here's a table with potential reel/post topics, three viral hooks for each topic, and the logical reasoning behind their potential popularity among coaches and personal brands in the realm of phone video editing and personal branding:

Reel/Post Topic	Viral Hooks	Logical Reasoning
1. Elevating Your Personal Brand Through Video	1. "Transform Your Brand with Cinematic Magic!"	<i>Logical Reasoning:</i> Personal brands seek ways to stand out. Viral hooks emphasizing 'transformation' and 'cinematic magic' tap into the desire for visually striking content, attracting brands looking to enhance their online presence.
	2. "Create Scroll-Stopping Videos in Minutes!"	
	3. "Boost Your Brand Storytelling with Video!"	
2. Quick Tips for Effective Phone Video Editing	1. "Edit Like a Pro: Quick Tips for Beginners!"	<i>Logical Reasoning:</i> Coaches and personal brands may lack extensive editing knowledge. Viral hooks offering 'pro tips for beginners' create a sense of inclusivity, making the content

I am a phone video editor and looking to come up with new reel ideas for my Instagram account.

My content pillars are personal branding, phone video editing, ig growth.
